

Qi Certified Wireless Fast Charging Pad 10W

Fast Wireless Charging speeds from 0% up to 50% in 30 minutes with provided 18W adapter

The Comprehensive CPWR-Qi100 is the perfect wireless charging solution, especially in commercial spaces. The units fast charging power provides high speed wireless charging to all Qi compatible mobile devices including Samsung S8, S9 S10 and iPhone 8, X, XS, XS MAX, and XR. When connected to the included Qualcomm Quick Charge 3.0 charger, it can deliver up to 10 watts of charging power to significantly reduce charging time.

Premium Slim, Elegant Design with Non-Slip Textured Surface

The CPWR-Qi100 features a slim and durable zinc-alloy construction with a premium textured surface that helps to ensure your compatible iPhone® or Android® phone stays in place for optimum charging efficiency.

State of the Art Qi Wireless Charging Technology

Comprehensive's CPWR-Qi100 wireless charging pad is built with advanced charging technology (Qi standard 1.2.4) to deliver fast charging wireless power to your mobile phone. Simply put your phone down on the center of the wireless charging pad and your device will begin charging automatically.

Intelligent LED Indicator Provides Charging Status at a Glance

A unit surrounding LED light will blink to indicate when your phone is correctly aligned on the pad and charging has begun. The LED light is designed to go off after one minute in order not to disrupt your atmosphere or interfere with sleep.

Qi Certified for Worry Free Use

The Comprehensive CPWR-Qi100 wireless charging pad is Qi certified for your peace of mind. WPC, the governing body of Qi wireless technology, certifies products only after ensuring they meet rigorous safety and performance standards, ensuring years of worry free use.

WIRELESS CHARGING

CPWR-QI100

Qi Certified Wireless Fast Charging Pad 10W

Specifications

Performance & Resolution

- Input Power: 5V/2A or 9V/1.8A
- Output Power : 10 W
- Maximum power: Up to 10 Watts (with Qualcomm Quick Charge 3.0 charger)
- Max Charging distance: 3 – 8 mm
- Qi Certified: Yes
- Qi Version: v1.2.4

Connections

- Inputs: USB Type A to USB Type-C
- Outputs: Wireless

Environmental

- Humidity: 5%-95%
- Operating Temperature: 0° - 35° C
- Storage Temperature: - 20° C to 70°C

Physical Characteristics

- Color: Black
- Dimensions (W x H): 3.94" x 0.28"
- Housing Material: Aluminum alloy
- Packaging: Paper box

Regulatory

- Device
 - CE: Yes
 - Prop 65 Compliant: No
 - Rohs Compliant: Yes
 - FCC: Yes

Warranty

- 2 Years

Weight (Shipping)

- 0.5lbs

UPC

- 808447081824

Packaging

- 10W Wireless charging pad x 1
- USB 3 feet charging cable x 1
- USB 3.0 Quick Charge Wall Adapter x 1
- User manual x 1
