

## Pro AV/IT Lightning Male to USB-C Male Cable

Comprehensive's Lightning to USB-C™ cable is the perfect cable to connect your iPhone®, iPad®, or iPod® touch to your USB-C (or Thunderbolt 3 enabled) enabled device for both syncing and power charging. This cable is an authorized Apple® MFi Certified cable for connecting your Apple® devices and built with Apple® genuine connectors.

Unlike other cables, Comprehensive's Lightning to USB-C cable includes advanced strain relief to enhance durability and ensure you are able to connect and charge your device whenever you need to. For added convenience, this cable also offers Comprehensive's exclusive SureLength™ indicators, which tell you the length of the cable right on connector head.

As always, this cable is covered under Comprehensive's worry free Lifetime Warranty.

### Fast Charging for Your Apple® iOS Devices

With the Comprehensive Lightning to USB-C cable, you can connect your compatible iOS device to a USB-C PD charger or power adapter to get fast charging.

### Supports Data Transfer and Syncing

This cable supports data transfer rate up to 480Mbps between your iOS device and USB-C equipped devices for syncing.

### Apple® MFi Certified with Lifetime Warranty

This Comprehensive Lightning to USB-C cable is tested and certified by Apple® MFi program to ensure 100% compatibility with all your Apple devices.

### Enhanced Quality

This cable exceeds Apple's demanding specifications and utilizes advanced strain relief to ensure a lifetime of worry-free use. It also includes Comprehensive's SureLength™ indicators on the USB connector head to be easily identified, a real convenience for IT and AV managers in schools or enterprises.

### Lifetime Warranty

This Lightning to USB-C cable is covered by Comprehensive's worry free Lifetime Warranty to ensure years of use.

## Features
