

Micro USB to HDMI MHL Adapter

The MHL (Mobile High-Definition Link) Adapter is an accessory made with one purpose in mind, to connect your MHL Host such as a MHL Phone or Tablet to your HDTV for viewing content on a larger screen. This state-of-the-art technology connects your MHL Host to your monitor or TV from the micro USB port to the monitor's HDMI port. Lifetime Warranty. For list of the latest MHL enabled devices, visit www.mhltech.org/devices.aspx

Features

- Connects your MHL enabled phone or tablet to a HDMI equipped Display
- Micro B Male connector
- HDMI Female connector on the unit
- Also has a Micro B female connector for charging the phone while using the adapter
- Lifetime warranty.

*Please note. This is a 5-pin connector and may not work with all model cell phones. Please check with the manufacturer for specifics.
