

USB-C Male to HDMI 4K60 with 60W Power Delivery Female Dongle Adapter/Converter

Comprehensive's Ultra HD 4K active video adapter is the perfect solution for connecting your USB-C source from a Chromebook™, MacBook®, iPad® Pro, PC or laptop to any UHD 4K 60Hz HDMI display such as a monitor or projector. It supports full 4K@60 18G bandwidth with 4:4:4 color space and features USB power delivery up to 60 watts. You can charge your laptop or mobile device while connected to a video display simultaneously.

The ultra-durable ABS housing design makes it perfectly suited for professional applications. This adapter/converter is covered under Comprehensive's Worry-Free Lifetime warranty.

Up to 4K@60 High Resolution Performance

Comprehensive's USB-C to HDMI video adapter supports maximum video resolution of up to 3840 x 2160@60Hz (4:4:4) for single display to deliver stunning video and image quality.

Power Delivery (PD) up to 60W

This Ultra HD 4K USB-C video adapter allows for the charging of your laptop, Chromebook™, MacBook®, iPad® Pro or other mobile device up to 60 watts while displaying 4K high resolution video.

OS Compatibility Included

This adapter is compatible with Windows®, Mac®, iPadOS®, Android® as well as Chrome™ OS and offers a broad range of operating system choices to nearly all computer or mobile devices.

Thunderbolt™ 3 Compatible

This USB-C enabled device works seamlessly with Thunderbolt™ 3 capable USB-C ports on applicable devices.

Worry-Free Lifetime Warranty

Value is knowing a product you buy today will work for you tomorrow and in the years to come. At Comprehensive, we are dedicated to providing you with the best professional cable and connectivity products money can buy at a fair price. This dongle is covered by Comprehensive's Worry-Free Lifetime warranty, so you can be assured it will keep on working and last a lifetime.
