

Type C Male to USB 3.0A Female Adapter Cable-4”

Comprehensive's Type C Male to USB 3.0A Female Adapter Cable provides SuperSpeed data rates up to 5Gbps allowing for quick transfers. This device will also allow you to charge and sync your smartphone or tablet plus connect any USB 3.0 type A peripheral such as keyboards, mice, USB flash drives, external HDD's, SSD's, etc.

USB Type-C offers a low profile, robust design, which is more durable compared to the previous versions of USB connectors. The connector cable includes Comprehensive's high quality Shielded Twisted Pair (STP) construction, to block electro-magnetic interference and ensure reliable data communication. Backed by Comprehensive's 3 Year Warranty, you can be assured of guaranteed quality and reliability.
