

## HDMI, USB-B 2.0 and 3.5mm Audio Pass-Through Single Gang Decorative Wall Plate with Pigtail - White

Comprehensive's WPD-HDAUB1-AW pass-through single gang HDMI and USB 2.0 Wall Plate is perfect for all in-wall cabling applications requiring HDMI, USB and audio connectivity.

Constructed of white finished metal and ABS cover plate, this pass-through wall plate offers a sleek and professional appearance to reduce cable clutter. It is an ideal solution to AV integrators for in-wall installation.

The pass-through ports are professional grade for repeated use in offices, meeting spaces, classrooms, houses of worship, or wherever HDMI room connectivity is required. Each HDMI port includes a thin, flexible pigtail cable to accommodate the tight bend radius required for installations within a standard junction box.

### Decorative Wall Plate with Face Plate

Comprehensive's Decorative wall plate includes a color matched ABS vinyl cover plate and mounting screws for your convenience.

### Pass-Through Receptacles and Pigtails

This Wall Plate comes with HDMI, 3.5mm Audio and USB-B receptacle ports and pigtail cables completely assembled and ready for installation.

### High Quality and Durability

Constructed of high quality metal, the wall plate is durable and long lasting for commercial usage including offices, meeting spaces, classrooms, hotels, houses of worship and other spaces requiring HDMI room connectivity.

### Cuts Down on Cable Clutter

This pass-through wall plate offers a clean and professional appearance and helps reduce cable clutter in professional spaces.

### Quick and Easy Installation

Comprehensive's decorative wall plate fits all standard single gang cut-outs and installs in minutes.

### Lifetime Warranty

This pass-through wall plate comes with Comprehensive's Lifetime Warranty for a lifetime of worry-free use.
