

## Dual USB GaN Compact Wall Charger 35W USB-C and USB-A Quick Charge 3.0 Technology

Comprehensive's USB Dual GaN Fast Charger allows you to fast charge your smart phone, PC tablet, power bank or other mobile devices up to 35 Watts. This unique charger includes one (1) USB-C port and one (1) USB-A port designed for plugging into a standard AC wall outlet to provide maximum 35 watts.

The Comprehensive CPWR-2QC35W GaN wall charger is perfect for charging devices in meeting spaces, offices, classrooms, tech benches, at home, on the go and anywhere in between. The CPWR-2QC35W features GaN (Gallium Nitride) & Quick Charge 3.0 technology and is UL, FCC, RoHS certified. This charger is covered by Comprehensive's 3 Year Worry-Free Warranty.

### Advanced Quick Charging Technology with up to 35W of Powerful Charging Performance

Comprehensive's CPWR-2QC35W Dual charger supports advanced Quick Charge 3.0 fast charge technology featuring up to 100 Watts maximum when charging single USB-C port.

### Adopted GaN Technology with Sleek Compact Design

Comprehensive's CPWR-2QC35W is a GaN Charger which has a compact and lightweight design with convenient foldable prongs makes this the perfect charger for your home office, cubicle, desk, living room or bedroom. Also, the perfect travel companion to keep in your luggage or travel bag so you always have charging power on the go.

### Safety and Reliability Come Standard

This USB charger is UL, CE, FCC, RoHS certified and proof of over-load protection, over-heated protection and short circuit protection.

### Worry-Free Warranty

Backed by Comprehensive's 3 Year Worry-Free Warranty ensuring you can always count on Comprehensive products.

Output: USB-C: 35W, USB-A: 15W, USB-C + USB-A: 20W + 15W  
Maximum power: 100 Watts  
Max Charging distance: Fast charging up to 10ft

### Connections

Input: US standard AC plug  
Output: USB Type C port (1) and USB Type A port (1)

### Environmental

Optimized Operating Temperature: 0° to 35° C  
Storage Temperature: -20° to 75° C  
Storage humidity: 10% to 90 % RH (no condensation)

### Software and Compatibility

QC 3.0 & 2.0

### What's In The Box

USB Dual GaN charger 35W x 1

### Physical Characteristics

Color: Black  
Dimensions (W x H x D): 2.5" (L) x 2.25" (H) x 1.15" (W)  
Housing Material: ABS plastic  
Packaging: Clear Vinyl Bag

### Power & Electrical

Power Consumption (In Watts): ≤300 mW (Standby)  
Power Source: AC power

### Regulatory Compliant

UL: c/UL Listed  
FCC: Yes  
CE: Yes  
RoHS Compliant: Yes  
Prop 65 Compliant: No

### Warranty

3 Years

### Weight (Shipping)

0.25 lbs
