

HDMI, USB-B and USB-C Pass-Through Single Gang Decorative Wall Plate with Pigtail - White

Comprehensive's WPD-HD-UBC-AW pass-through single gang HDMI, USB-B and USB-C Wall Plate is perfect for all in-wall cabling applications requiring HDMI and USB 3.0 connectivity. Constructed of white finished metal and an ABS cover plate, this pass-through wall plate offers a sleek and professional appearance to reduce cable clutter. It is an ideal solution to AV integrators for inwall installation. The included USB 3.0 Type C port supports data transfer speeds up to 5Gbps and compatible with USB 2.0 devices. The pass-through ports are professional grade for repeated use in offices, meeting spaces, classrooms, houses of worship, or wherever A/V room connectivity is required. Each port includes a thin, flexible connected pigtail cable.

Decorative Wall Plate with Face Plate

Comprehensive's Decorative wall plate includes a color matched ABS vinyl cover plate and mounting screws for your convenience.

Pass-Through Receptacles and Pigtails

This Wall Plate comes with HDMI, USB Type C and Type B receptacle ports and pigtail cables completely assembled and ready for installation.

High Quality and Durability

Constructed of high quality metal, the wall plate is durable and long lasting for commercial usage including offices, meeting spaces, classrooms, hotels, houses of worship and other spaces requiring HDMI room connectivity.

USB 3.0 Port features 5Gbps Data Speed

The USB 3.0 Type C port provides speed and data transfer rates up to 5 Gbps and is backwards compatible to USB 2.0.

Cuts Down on Cable Clutter

This pass-through wall plate offers a clean and professional appearance and helps reduce cable clutter in professional spaces.

Quick and Easy Installation

Comprehensive's decorative wall plate fits all standard single gang cut-outs and installs in minutes.

Lifetime Warranty

This pass-through wall plate comes with Comprehensive's Lifetime Warranty for a lifetime of worry-free use.

Peace of Mind in Every Connection™

Value is knowing a product you buy today will work for you tomorrow and in the years to come. Since 1974, Comprehensive has been making the most reliable and dependable Pro AV/IT cables on the planet for our integrator and professional customers. Period. We live up to that statement with each and every cable we manufacture. So, when you purchase a Comprehensive product, you can be assured it will keep on working and last a lifetime. That's Quality You Can Count On™
